Now, let's fast-forward to the raving fan part. We call these people **BioLimitless Influencers**. These people of influence recognize **there is a financial opportunity for them as they help us share the impact of these products** to people they know, love and care about. To become a BioLimitless Influencer, simply purchase an Influencer business package including Internet marketing tools, a personalized web presence, online back office for tracking your organizational sales, and business management tools to help launch and run your new BioLimitless business.

The BioLimitless Rewards Program is 'a first of its kind' plan designed to appeal to the 4 major marketing channels: **1) Consumer Marketing; 2) Influencer Marketing; 3) Affiliate Marketing; and 4) Network Marketing**. The front end profits you can enjoy are from generating sales to Consumers. Simply share our remarkable products with friends that you have a relationship with and invite them to try the ones that interest them and enjoy impressive profits on those sales! The back end of our Rewards Program encourages you to foster the entrepreneurial spirit in your Consumers. **The best Influencers always start from happy Consumers!** This part of the plan is only available to those who have achieved the level of 1-Star Influencer and above. Under the Star Bonus Plan, we combine the power of great products with the leverage of social marketing.

All bonuses outlined in the BioLimitless Rewards Program are geared toward rewarding our Influencers all along their entrepreneurial journey, beginning with the newest Influencer's ability to attract and retain Consumers, as well as helping to identify those Consumers who possess the entrepreneurial spirit to do the same.

WE LOVE OUR CONSUMERS

The best way to show **our love for our consumers** is to educate them on the power of these products!

ONE PRICE AND AFFILIATE BONUS (PAID WEEKLY)

There are three areas of Consumer profits you can enjoy. Both Consumers and Influencers pay the same price for the BioLimitless products, but only Influencers can earn a One Price Bonus.

1. Each new Consumer's first order will generate a one-time Affiliate Bonus equal to 25% on the Points of that order. An additional 5% of Points are allocated to the Rising Star Bonus Pool. This bonus is funded by a one-time reduction in Commissionable Volume on that order.
2. The remaining Commissionable Volume will be paid out on the 1st level of the Star Bonus (if qualified).
3. The One Price Bonus will be paid on every Consumer or Influencer order you personally enroll, every time that person orders.

RISING STAR BONUS POOL (PAID MONTHLY)

This pool is reserved for the Rising Star and Building Star ranks (1-Star through 7-Star) who qualify to participate by enrolling at least three (3) new active Consumers in a calendar month, and for every combined 125 Points from those new Consumers (a Consumer must have an active order of a minimum of 25+ points), an Influencer can earn ½ share. A total of 5% of the monthly worldwide Value Pack, Super Value Pack and Elite Value Pack Points along with 5% of the Points from each new US Consumers order will be divided pro-rata based on the number of shares accumulated per qualifying participant. There is no limit to the amount of shares an Influencer can earn.

STAR BONUS (PAID MONTHLY)

Commissionable points in the Star Bonus only constitute a "Level" when their upline Influencer has reached the rank of 1-Star or higher. Any points accumulated by an Influencer who has not yet achieved 1-Star, automatically roll-up and count as a level for the next immediate qualified 1-Star or higher. Any unearned bonuses are dynamically compressed  up to the first qualified 1-Star Influencer, or higher, until the maximum bonuses are paid out. All bonuses are paid on CV.
